ADMISSION POLICY 2020-2021

ADMISSION

The English Modern School is a privately owned school that offers an international curriculum to over 3000 students on 3 different campuses (Al Khor, Doha, Al Wakra). Students are admitted to EMS regardless of race, gender, nationality or religion provided they meet all the admission requirements as outlined in this policy. Applications for admission are accepted throughout the year and EMS seeks to accept all students who apply and meet the requirements, provided seats are available.

All students applying to The English Modern School are selected according to the screening process which corresponds to their grade level.

Note: Submitting a completed application form does NOT guarantee acceptance into EMS. Acceptance is subject to seat availability and candidates meeting the admissions requirements.

SIBLINGS ADMISSION

Siblings of EMS students have priority over other applicants. A special admission period for EMS students' siblings is scheduled before admission is open to other students. Once the sibling registration period is over, all potential students who meet the registration requirements will be eligible to fill any available seats.

WAITING LIST

EMS seeks to accept all students who apply and meet the requirements. Where seats are not available, applicants who meet the admission requirements are placed on the waiting list. This will be done after the parents sign the Waiting List Acknowledgment Form.

While all efforts are made to accommodate parents and students, unfortunately the school cannot always offer a seat to all accepted students. EMS strives to implement a transparent, equitable waiting list policy.

Qualified siblings of EMS students on the waiting list will receive first priority. Thereafter, students on the waiting list are placed based on a first come first serve basis.

SPECIAL CONSIDERATIONS

Students will be considered eligible for admission if it is believed that the school can meet their physical, emotional, social and academic needs.

Suspected Learning Difficulties/Disabilities:

While some students might not show evidence of learning difficulties/disabilities during the initial admission process, the school reserves the right to review the initial placement should there be new evidence of suspected learning difficulties/disabilities. In such instances, parents might be required to consult with a specialist for a formal assessment of the child. If the school feels it is in the child's best interest to be moved to a specialized establishment, parents will be asked to make necessary arrangements which will avail their child to such services.

CANCELLATION OF ENROLMENT

The School reserves the right to verify any information supplied and to require further evidence as necessary. Where fraudulent, deliberately misleading, incorrect or incomplete information has been supplied and that information has led to a seat being offered which would not otherwise have been offered, the School reserves the right to immediately withdraw/cancel the enrolment.

In such a case, a full evaluation of the work done may be undertaken. This can also include summative assessments in any or all of the subjects.
