Student Main Interface on Kalemon Online School Overview

The platform of **Kalemon Online School** ensures the care given to students, as they are the core target of education. Main tasks of teachers, pedagogical supervisors, and school administration are to deliver information for students in the easiest ways and methods. In addition, these tasks include the tackling of any obstacles that may face the students .during learning in the classrooms

If you did not try Kalemon Online School yet, you can get to know its characteristics and benefits now.

You can also watch a video for a step-by-step explanation of the main student interface on Kalemon Online School.

The student interface in **Kalemon Online School** was designed to suit all students in activities, tasks, tests, and in their interaction with the interactive multi-component subjects (**audio tracks – videos – texts – educational games**). In addition, this interface was prepared to guarantee the educational progress and achievement of educational targets.

First, log in to your account on our website: www.Kalemon.net then click on **products**(1) then choose **Kalemon Online School**(2) :Then click on «Join **Kalemon Online School**» (3) in order to type the (**username**(4) – **password**(5)) you received from your school, then press Log In.

The image illustrates the login process through three main components:

- Step 1:** A screenshot of the website's navigation menu where the 'Products' tab is selected.
- Step 2:** A screenshot of the 'Kalemon Online School' page with the 'Join Now' button highlighted.
- Step 3:** A screenshot of the login form with fields for Username and Password, and a 'Login' button.

After logging into your account, you can preview the sections of your account in **Kalemon Online School**:

Dashboard

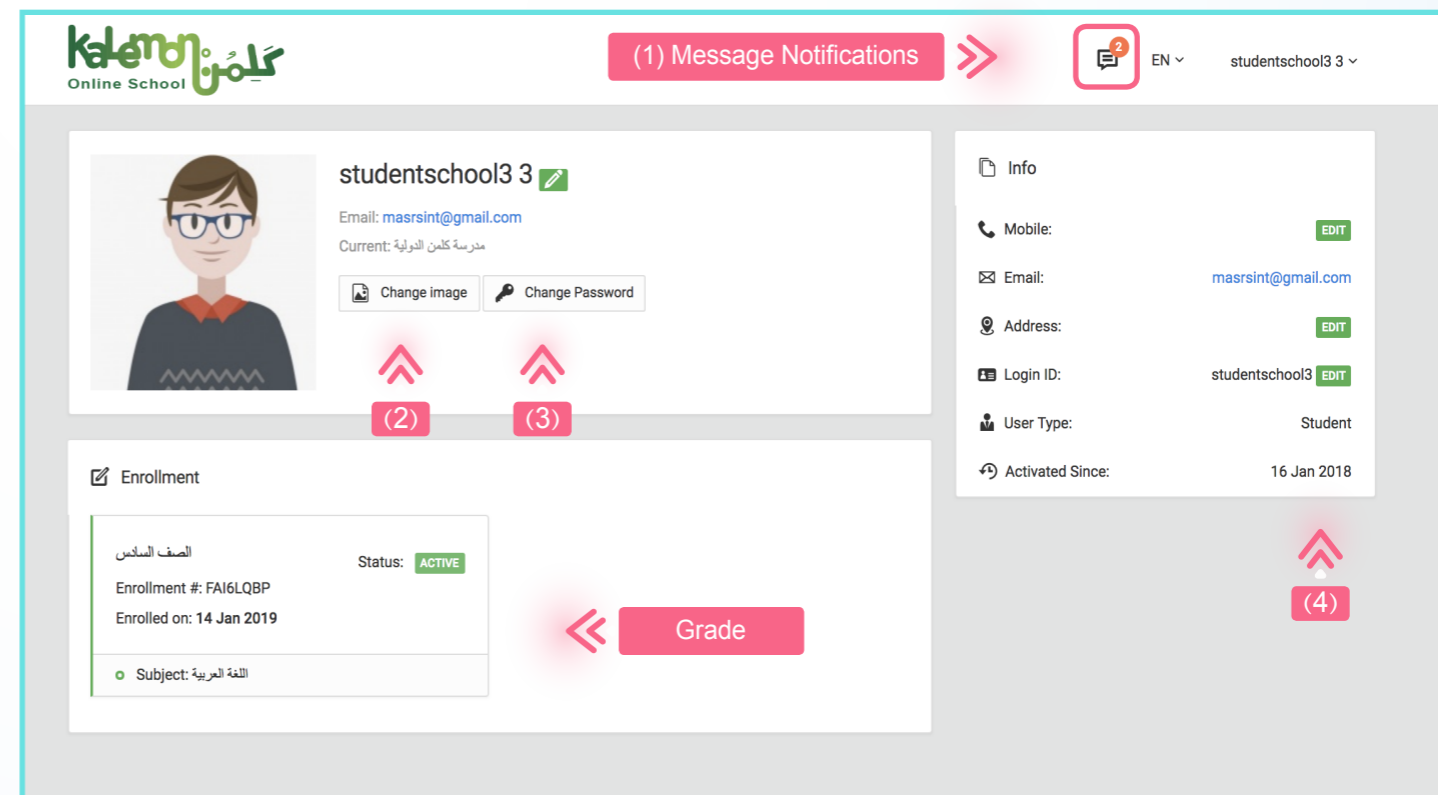

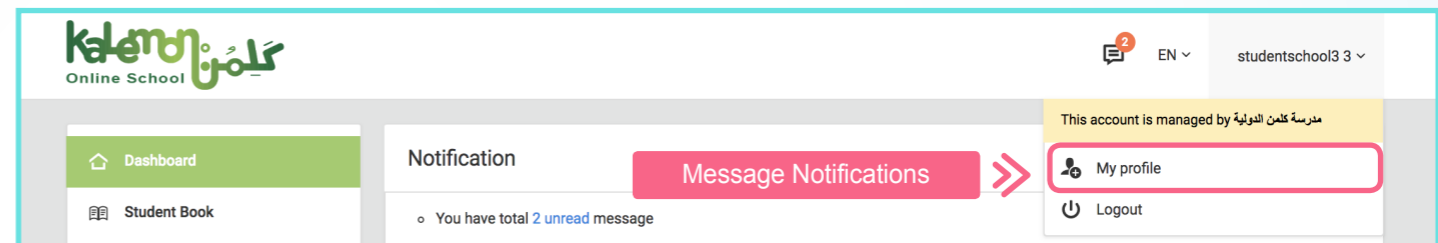

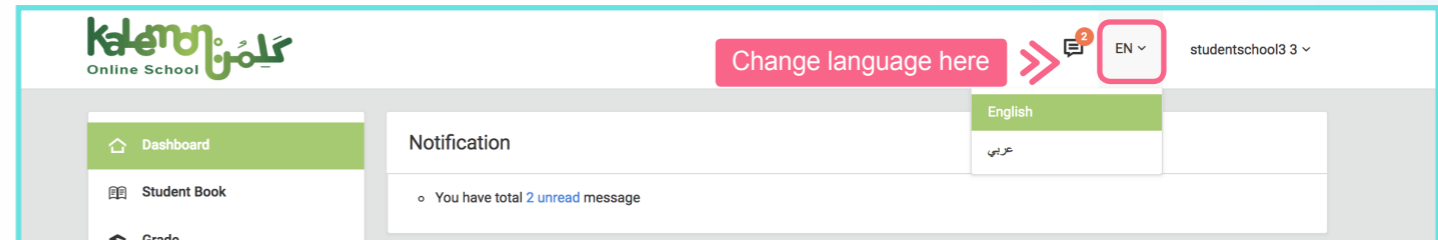

The dashboard includes the following elements:

1 Language button to change the Display Language.

The platform supports both **Arabic** and **English**.

2 Student Profile.

The platform moves to display the details of the **profile** where you can receive **notifications** (1), **change image** of your profile (2), **change password** (3), and view the **activated since** date of your profile (4), shown in this screenshot:

Detail Report

Attendance

In this section, you can view the **Attendance Report** and attendance percentage during a certain week or month.

Activity

This section enables you to view your **Activity** on your account, in addition to viewing the **elements names** and their **display time**. Display time affects the progress in the subject.

Support

In this section, you will be able to communicate with support from Kalemon School. Click on **Support** and fill the form.

The screenshot shows the 'Support' form in the Kalemon Online School system. The sidebar menu on the left has 'Support' highlighted in green. The main form area contains the following elements:

- Name:** A text input field with a red callout box saying 'Write a Name'.
- Email:** A text input field with a red callout box saying 'Write an Email Address'.
- Message:** A rich text editor with a toolbar (Font, Size, Bold, Italic, Underline, Strikethrough, Text color, Background color, Bulleted list, Numbered list, Indent, Outdent, Link, Unlink, Source) and a large text area with a red callout box saying 'Write here'.
- Submit:** A blue button at the bottom right with a red callout box saying 'Click here to submit'.

Messages

This section enables you to view the incoming messages in your account's Inbox, as shown in the below screenshot.

The screenshot shows the Kalem Online School interface. The left sidebar contains navigation options: Dashboard, Student Book, Grade, Live Classes, Timetable, Assignment, Attendance, Activity, TESTS (Tests), and EXTRA (Support, Help). The 'Messages' section is highlighted in green. Under 'Messages', 'Inbox' is selected and highlighted with a red box, showing 7 messages. Other options include Starred (0), Sent (2), and Deleted (0). The main area displays a list of messages with columns for checkboxes, sender, subject, date, and a menu icon. A red box highlights the 'Compose' button in the top right corner. A red arrow points from the 'Compose' button to the 'Click here' button in the bottom right of the screenshot.

The screenshot shows the 'Compose' message form in the Kalem Online School interface. The left sidebar is the same as in the previous screenshot. The main area shows the 'To:' field, 'Subject:' field, and 'Message Body' field. The 'Message Body' field has a rich text editor toolbar with options for font, size, bold, italic, underline, strikethrough, text color, background color, link, unlink, list, and source. A red box highlights the 'Send' button in the bottom right corner. A red arrow points from the 'Send' button to the 'Click here to Send' button in the bottom right of the screenshot.

This section enables you to **Compose** a message by typing the recipient's name. The platform suggests a list of teachers and students names. Then, you write the message and press **Send**, as indicated in the below screenshot:
